

Mrs. Torr/Mrs. Bradley

Our Week at a Glance

"It's an important time to be writing about the connections we share with our fellow creatures. It's a great time to be alive." – Sy Montgomery (visiting author 11/8)

Monday 10/16	Tuesday 10/17								
<p>In Foundations we have been working on identifying letters and their sounds. We played a game where the children had to listen to three words and figure out which sound/letter they all had in common. They really caught on! Here are a few examples:</p> <table data-bbox="201 751 618 926"><tr><td><u>t</u></td><td><u>i</u></td></tr><tr><td>truck</td><td>itch</td></tr><tr><td>little</td><td>pumpkin</td></tr><tr><td>secret</td><td>dig</td></tr></table>	<u>t</u>	<u>i</u>	truck	itch	little	pumpkin	secret	dig	<p>Math: We have been working on counting on, sums to 10 and identifying true/false statements. For example:</p> <p>5=5 or 4+2=1+5</p>
<u>t</u>	<u>i</u>								
truck	itch								
little	pumpkin								
secret	dig								
Wednesday 10/18	Thursday 10/19								
<p>EMD story with Ms. Dolcino 😊</p> <p>We have been reading stories from a list of nominees for the Ladybug Picture Book Award. The students will vote for their favorite and the book with the most votes across the state will win the award. The children are very excited to be a part of the process!</p> <p>Book: <u>Woodpecker Wants a Waffle</u> by Steve Breen</p> 	<p>Math: The children worked with Mrs. Curtain this week to login to their Zearn accounts. The children have been reviewing the lessons that we have taught in class as well as practicing their math facts.</p> <p>Book: <u>The Water Princess</u> by Susan Verde</p>
