Friday 9/8	Notes
<p>This week we have been practicing using math manipulatives and how to work in groups or partners. The children have explored the materials in centers and have played games such as "rolling for 100" to familiarize themselves with using a number grid.</p> <p>We released several butterflies between our two classes today!</p> 	<p>Parent Information</p> <p>Reminder: Open House will be on Thursday, September 28th from 5:30pm - 6:30pm.</p> <p>Save the Date: At the Open House, we will have sign-ups for fall conferences on October 6th.</p>
